Reservoir  
Rehabilitation  
Program

## **22<sup>nd</sup> Street Water Reservoir**

### **Improvements have begun on the 22<sup>nd</sup> Street Water Reservoir.**

Tucson Water is working to replace the aging roof along with cleaning and updating the 22<sup>nd</sup> Street Water Reservoir located just south of 22<sup>nd</sup> Street off of Beverly.

Crews will work from approximately 7:00 AM to 5:00 PM, Monday through Friday\*; so the project can be finished as quickly and cost-effectively as possible and the reservoir can be back in service to meet the water needs of our customers. Once complete, the reservoir will continue to deliver high quality water to Tucson Water customers.

**THIS WORK WILL NOT AFFECT YOUR WATER SERVICE.**

For more information or to have any questions you have answered, call the Reservoir Rehabilitation Info Line at (520) 624-8977.

*\* The contractor may need to adjust days and hours of operation in order to complete the work in a timely fashion.*

**Tucson Water is working with you, our customers to ensure water reliability today and in the future.**

For information, please call (520) 624-8977.
